DEMO AREA

9:00am -9:45am

Agility Demonstration

with Happy Tails Training Center Training Staff

Run, jump, weave and climb! Agility is exciting sport for handlers and dogs. It requires consistent training and conditioning of both dog and handler!

10:00am – 10:45am

Pet First Aid & Emergency Preparedness

Presented by Dr. Nicole Azene

Would you know what to do if your pet stopped breathing, started choking, or suffered a serious injury? Join Dr. Nicole Azene of Onalaska Animal Hospital for a practical introduction to pet first aid and emergency preparedness. Learn how to recognize an emergency, see demonstrations of pet CPR and choking-response techniques, and find out how to control severe bleeding and safely transport an injured pet. Dr. Nicole will also share tips for building a pet first aid kit and preparing for emergencies and disasters. You'll leave with a better understanding of what to do in those critical moments before your pet can receive veterinary care.

11:00am - 11:45am

Movement Puzzles

with Happy Tails Training Center Training Staff

Movement Puzzles are DIY games that build confidence in your dog, all while reinforcing your relationship. Dogs move learn to move independently through 'noisy' boxes and to move in, around and under everyday objects.

11:45am – 12:15pm

Relationship Games

with Happy Tails Training Center Training Staff

Having a well behaved dog starts with building a strong relationship! Your dog will always choose to do what is most rewarding for them. Learn how games and timely rewards can improve your relationship with your dog, making owning them more enjoyable.

12:15pm – 12:45pm

Leash Manners

with Happy Tails Training Center Training Staff

Loose leash walking! It has to be trained! Teaching your dog that reward will come when the walk NEXT to you...makes life more enjoyable for you and your dog.

12:45pm – 1:15pm

4 Paws on the Ground

with Happy Tails Training Center Training Staff

No one is as happy to see you as your dog! They cannot wait for you to get home nor wait to meet new people. This is the highlight of their day. Learn ways to encourage polite greetings!

1:15pm – 1:45pm

Recalls

with Happy Tails Training Center Training Staff

The most important thing you can teach your dog is to return to you when you call them! Reliable recalls start with your dogs understanding that coming back to you is rewarding!

More on back!

- 2:15pm – 2:45pm **Animal Chiropractic 101: How Adjustments Help Pets Move & Feel Their Best**
Presented by Callie Horstman, DC, cAVCA, CACCP
Curious about animal chiropractic and what an adjustment actually looks like? Join Dr. Callie Horstman, certified animal chiropractor, for a quick introduction to how chiropractic care can support your pet's mobility, comfort, and overall function. Learn what animal chiropractors assess, common signs that may indicate your pet could benefit from care, and what to expect during a visit. The session will finish with a live demonstration of an animal chiropractic adjustment so you can see the process in action.
